

Project Nebula: kickoff notes

Sample document for the Starpi demo. All names and figures are fictitious.

Date: 14 September 2026. Participants: Lena Park, Tom Becker, Marta Silva.

Decision: the beta starts at the Hamburg depot on 1 February 2027.

Decision: the steering group meets every Tuesday at 10:00.

Decision: Marta Silva selects a second traffic data supplier.

Open question: how drivers give feedback during the beta.

Next review: 12 October 2026.
